Atlantic Rail

When having read the Blits, dated the 12 August 2010 about the Atlantic Rail coming back, I got all excited like a little boy again!!! 3 years ago, my wife organized a ticket for the Atlantic Rail train to Fish Hoek where you could also have breakfast on the train. Unfortunately a fire broke out on the coach and so the trip was cancelled.

Still today, I'm waiting for that experience to ride on that train. My dream may still come true. I wish all those involved in the success of the Atlantic Rail the best of luck. May it go from strength to strength.

Yours Sincerely
Mr. U. Wetzel
